

# Immigration law experience *for all* of your business needs

ELPO is the only firm in Western Kentucky with extensive experience in immigration law. We welcome inquiries from other law firms. We counsel clients in petitions and visa applications for B, E, H-1B, H-3, L-1, Blanket L, TN and other non-immigrant visas. We also prepare employment-based preference immigrant petitions and labor certifications and Mexican visa applications (FM-3 and FMN). We also handle family-based immigrant petitions and naturalizations.
